

## **AUTOMATIC MOVE UP OF 2015 USSSA MEN'S CLASS "E" TEAMS:**

The USSSA Slow Pitch By-Laws require that the top 10 percent of the finishing teams in each of the 2015 Men's Class "E" World Tournaments (this includes teams that are tied with teams finishing in the top 10 percent in order of their finish; all percentages are rounded up). Additionally the winners of each 2015 Men's Class "E" National Tournament with 25 or more teams will automatically be required to compete in a higher classification in 2016. Teams must participate in their new classification for a period of ONE (1) year. Teams that fail to participate the following year will remain at the new classification until such time as they participate and meet the requirement. (See By-Laws: Article III, Section 5 and 6).
