FIELD/FACILITY INSURANCE Municipal Risks

Field/facility owners additional insured status is now available for any USSSA sanctioned activity.

\$3,000,000 General Liability Per Occurrence

This USSSA program provides the general liability coverage for bodily injury, property damage, and personal injury claims for which you are legally obligated. Only USSSA sanctioned activities in the insured sport(s) are covered.

Coverage is provided with a limit of \$3,000,000 per occurrence. Coverage is written on an occurrence form, not a claims made form. Also, this liability insurance is primary, not secondary.

The USSSA liability insurance program provides coverage for lawsuits brought by athletic participants. This coverage is crucial, and is excluded on many general liability policies written today.

EPIC Brokers and K&K Insurance Group, Inc. combine their many years of experience and excellent liability coverage to provide you with an insurance value that is second to none.

Full Season Coverage - Covers USSSA League and Tournament Play

The premium is fully earned upon certificate issuance. **Refunds are not available. All coverage expires on 01/01/18.**

Weekend Coverage

Coverage may be written for one weekend (maximum of seven consecutive days). The premium is fully earned upon certificate issuance. **Refunds or transfers to other dates**
