

USSSA - SLOWPITCH SOFTBALL 2018 UMPIRE TEST

The purpose of this test is not to confuse or trick you, the umpire, but to help you better understand the rules as they are written and interpreted.

Our goal is to now provide a new umpire test each year that will include some different questions in addition to questions on new rules. Some may be repeated; however, we will try to keep the test fresh and interesting. Some questions will change with changing rules. Please feel free to send any of your questions to be reviewed and possibly added to the test in future years. Your comments, whether pro or con, will be greatly appreciated. I will review each question and will update this test monthly. Please send all correspondence to Charles Beckwell, at charles.beckwell@ussa.com
