TEAM/LEAGUE INSURANCE

WHY SHOULD MY TEAM/LEAGUE PURCHASE ACCIDENT MEDICAL INSURANCE?

Many Americans are not covered by health insurance. The USSSA accident medical insurance becomes primary in the event the injured party has no medical insurance. Medical costs are extremely high, and failure to purchase insurance could be financially disastrous. If primary medical coverage is in place, our policy will still respond to the amount unpaid by your primary carrier, up to the usual and customary charge. Most primary policies have a substantial deductible and/or co-insurance payment. Therefore, if the USSSA coverage is used as secondary, the financial burden of a large-out-of-pocket expense can be greatly reduced or eliminated.

WHY SHOULD MY TEAM/LEAGUE PURCHASE LIABILITY INSURANCE?

Players, coaches, managers, and even team sponsors, and volunteers are at risk of being sued from sports related activities. There is no such thing as an "accident" in today's lawsuit-happy society. Our general liability policies will provide protection in the event you are sued by a spectator or a participant. Coverage is provided for legal fees as well as any court judgment up to \$2,000,000 per occurrence, no aggregate limit.

WHO IS COVERED BY TEAM INSURANCE?

Coverage is provided for players, coaches, managers, team sponsors, scorekeepers, and other team volunteers.

WHEN DOES MY COVERAGE BECOME EFFECTIVE?

If mailed, the day USSSA receives and processes the application and check for the full premium. The address for USSSA is 611 Line Drive, Kissimmee, FL 34744. If purchased online, immediately upon credit card approval.

WHEN DOES MY COVERAGE END?

Most sports can purchase policies ending on either August 1st 2011, or January 1st 2012.

WHAT IS THE POLICY LIMIT ON THE ACCIDENT MEDICAL INSURANCE?

The accident medical limit is \$100,000 per occurrence.

WE ARE A USSSA REGISTERED TEAM. DOES OUR REGISTRATION PROVIDE US WITH ANY INSURANCE PROTECTION?

No. USSSA registered teams can purchase team insurance that protects them during the play of any amateur activity in the insured sport.

WHAT IS THE MAXIMUM NUMBER OF PLAYERS COVERED BY TEAM INSURANCE?

The team size is limited to the USSSA roster limit of 20 in softball, baseball, soccer and flag/touch football, 15 in basketball and volleyball.

WHAT IS THE DEDUCTIBLE ON MY ACCIDENT MEDICAL POLICY?

The USSSA accident medical policy has the following deductibles:

SOFTBALL

Adult - \$250 Youth - \$100 or \$250

BASEBALL

Adult - \$250 Youth - \$100 or \$250

BASKETBALL

SOCCER

Youth - \$250 or \$500

FLAG/TOUCH FOOTBALL

Adult - \$250 Youth - \$250

2. After the exact number of teams is determined, and prior to the start of league play, submit the payment for the balance of the teams, along with a list of all insured teams names.
