## 2008 National Tournaments

- ✓ *Men's Class B, C, D and E National Tournaments will be set in each of the eight divisions*
- ✓ *The Tournaments are to be scheduled 2 weekends prior to Labor Day, Labor Day weekend and the weekend after Labor Day*
- ✓ ***New for 2008** – The team winning a National Tournament will receive an additional 300 points, giving the team a total of 600 points for that tournament. A team may also play in two additional National Tournaments, either in their own division or in another division, but can only receive double points once (they will continue to receive standard national ranking points).*
- ✓ *A team may play in **any** Division National Tournament to fulfill requirement*
- ✓ ***FINALLY**, the team in each Men's class – B, C, D and E – and in each of the eight Divisions – that has accumulated the most points by September 9<sup>th</sup>, will have **\$1000.00** allocated to their travel fund and will receive a first round **BYE** in their respective World Tournament. The travel fund will also be dispersed during the team's respective World Tournament\**

*Playing in a National Tournament is mandatory to proceed to the World Tournament but now the teams will have the opportunity to not only upgrade their seeding and boost their travel fund but they will also have the flexibility to play on different weekends giving them the chance to enhance their opportunity to increase their points and travel fund.*

*\*subject to the travel money requirements*
