July 19-25, 2009**

Congratulations on an outstanding season and welcome to the 2009 USSSA Baseball World Series. Your tournament host will be USSSA Baseball and Osceola County Stadium (Spring Training Home of the Houston Astros) and it will be our goal to create an experience that the players, coaches and families will remember for the rest of their lives. The USSSA Baseball program will use the "Pool-Play" format in this World Series. Teams will be placed in pools, then advance to either a double elimination championship bracket or a single elimination consolation bracket. The exact format of the tournament, e.g., number of pools, number of teams in each pool, etc., will be set by the Tournament Director following USSSA Baseball guidelines and be approved by the USSSA Baseball National Committee. Teams are guaranteed five (5) games.

ENTRY: All entry information must be RECEIVED BY YOUR STATE DIRECTOR and USSSA National Headquarters on or before THURSDAY, JULY 9, 2009. All players participating in USSSA Baseball tournament play shall have photocopies of their original birth certificates in the possession of their team manager. Failure to have a copy of the birth certificate available upon demand will result in the offending team losing the game, being ejected from the tournament, being placed last in the standings and forfeiting all awards, sponsors travel money and tournament berths the team would have been awarded at the tournament.

RULES OF CONDUCT

It is the purpose of the United States Specialty Sports Association to conduct the best possible tournaments from all aspects. To achieve this objective, USSSA must have the cooperation of each player, manager, coach and sponsor.

Therefore, it is required that all teams in the tournament comply with the following rules:

- Team managers must have full control of their players at all times. This means "on" and "off" the field.
- In case of disputed play or decision, team managers or captains may consult the game officials. The other players and coaches or sponsors are to be kept out of the discussion.
- Managers, coaches, and players are not to fraternize with spectators while participating in an event. At no time will any participant be allowed to smoke while participating in any USSSA event.
- At no time will participants be allowed to drink alcoholic beverages nor have in their possession any alcoholic beverage while participating in any USSSA event.
- Managers are to report any unsportsmanlike or derogatory acts by players or spectators to the Tournament Director. The purpose here is to prevent any serious situation developing that would be harmful to the tournament.
- Managers, coaches, players, sponsors, and teams may be suspended by the Tournament Director for violation of any of these rules. This could mean

suspension for one or more tournament games, the duration of the tournament, or in the most extreme cases, a longer duration.

- A player, coach, manager or sponsor may be suspended for fighting, abusive tactics, or unbecoming acts that are detrimental and not in the best interest of the United States Specialty Sports Association and tournament play.
- The hotels hosting tournament teams will report any occurrence of destruction of property or abuse of hotel property attributed to a team staying in the hotel. All reports from the hotels will be dealt with very sternly. Team managers please note that this is your only notice. Also, failure to pay hotel bills can result in team and its manager being disbarred from future USSSA play.
- Any teams submitting bad checks to USSSA will be subject to disbarment.

ADDITIONAL PARK RULES

No food or drinks are allowed to be brought into the parks. Each team will be given ONE cooler tag. This tag must be attached to the cooler and brought in with the team. The cooler may not exceed 32 quarts. This cooler may contain drinks and/or fruit. The contents are for team members only. The cooler can be taken out of the park and refilled as needed. In addition, each team is allowed one small cooler for rags/towels.
