

USSSA MEN'S OPEN NIT'S

1. Selected Men's NIT's will be designated Open NIT's. These events are open to Men's Class A, B, C, D and E teams and must have a minimum of 13 teams in the event.
2. Teams will earn double points in Men's Open NIT's. **EXCEPTION:** If there are no teams from a higher class in the event, double points will not be awarded.
3. Men's Open NITs will include two paid entries plus \$600 travel each for the highest finishing teams of different classes to their respective World Tournament. There must be multiple teams of the same class to award paid entry and travel, i.e. minimum of two eligible "B" teams in order to receive "B" entry and travel. Travel money will be sent to the official host hotel and credited to the team's rooms. If the team chooses not to stay at a host hotel, the travel money will be forfeited.
4. Teams can accumulate the travel money from multiple NITs by being the highest finishing team in their class if there are multiple teams of their class in the event.
5. The paid entries will pass down to the next highest finishing, previously unqualified team.
6. An **UNPAID** World berth may be available for teams where there is not enough participation from teams of their class OR there are multiple classes with multiple teams in excess of the two entries and travel specified in item #3 above.
7. Conference USSSA teams are ineligible to receive travel awards from Open NITs.
8. Any situation that occurs that is not addressed above will be decided upon by USSSA National Headquarters.
